

Mark Tapia Tournament

The Corpus Christi Cougars will host the annual Mark Tapia Tournament for 2nd grade boys and girls. The tournament will begin Sunday, March 14 and continue on consecutive nights until we have a girls' and boys' champion.

Registration fees are \$65 per team. Registration forms and payment must be received no later than March 10th.

Each year our tournament sponsors a charity. This year, we are raising funds for **St. Jude Children's Research Hospital**. All profits from the tournament, including registration fees, concession stand sales, and donations, will go to St. Jude.

So, sign up, play some ball, and support a good cause!
