Keep faith. Support the **Church in Latin America**. The Church in this region is undergoing a great continental mission, intended to strengthen the faith of the people and to create leaders in their own lands. The Church is being weakened by the loss of its members because of economic migration, and it suffers from a low priest-to-parishioner ratio. Today's collection funds catechesis and formation programs, evangelization, religious training, and other pastoral programs designed to strengthen and renew the faith. For the cost of your morning coffee, you could buy a child their First Holy Communion book. Can you spare a few cups? Please be generous in today's collection.

### STEWARDSHIP:

The Gospel message today is so contrary to our modern culture where advertising continually tries to convince us that our value lies in the many things we possess. Jesus showed us that our true value lies in the way we live our lives.

### LEARN NFP IN A WHOLE NEW WAY:

Interested in learning the Creighton Model FertilityCare System, a true family planning method that helps women understand, monitor, and appreciate their gynecological health? In Mobile, contact Felricia Brown, FCPI at 421-3581 or [GraceFertility@gmail.com](mailto:GraceFertility@gmail.com). In Baldwin county, contact Dr. Leslie Buckley, DMD, FCPI at 625-1908. For more information and class times, visit

[www.familylifemobile.org](http://www.familylifemobile.org).

The local Catholic prison ministry needs male volunteers to talk to inmates on Wednesday and Friday afternoons in a class format. This can be a rewarding and humbling experience. For more information, contact Bernie Scott at 626-5802 or email at [bscott1048@bellsouth.net](mailto:bscott1048@bellsouth.net).

### MAAFA 21 SHOWINGS:

Tuesday, August 17, 6:30-8:00 p.m.  
Most Pure Heart of Mary, Mobile

The MAAFA 21 film is a very honest and powerful look at the eugenics movement in the U.S. that has strengthened and promoted the abortion culture. What you see is that the plan people set in motion 150 years ago is still being carried out today. Don't think that this is history. It is not. It is happening right here, and it's happening right now. Entertaining and well researched, this documentary is insightful into the thoughts of those who first promoted abortion, and their desire to eliminate minority races.

### JustFaith is Coming to Corpus Christi this Fall

We are called to be compassionate as our God is compassionate, (Luke 6:36). What does the compassion of Christ look like in the modern world? How do I become someone who really cares for and acts on behalf of the poor and the vulnerable? This fall, a new program called JustFaith is being offered for the first time at Corpus Christi. The 30-week program, (Tues. nights, Sept.-May), is designed to empower and transform participants so that they can become agents of God's good news to the poor.

Join us for the *introductory workshop* with David O'Brien, from the Archdiocesan Religious Ed office, Sat., Aug. 14, 9:00–Noon in the Adult Education room at Corpus Christi. This workshop is transforming even if you cannot commit to the full program.

(For info. contact Martha Mareno, at [jamareno@bellsouth.net](mailto:jamareno@bellsouth.net) or 602-8500.)
