

## WELCOME TO JR. CYO

“Have you heard all the great things happening at St. Dominic?”

It is my pleasure to welcome our 7<sup>th</sup> graders to Jr. CYO as of June 1<sup>st</sup>. This is a parish organization designed to give spiritual, social and service opportunities to our young people in 7<sup>th</sup> and 8<sup>th</sup> grade. We meet year-round, usually once a week. I try to work around sports and club activities so we don't have a set day of the week. It is never required to attend activities- teens are welcome to come to those events that interest them. But the more they come, the closer the group gets, which aids in keeping their interest once in high school.

Communication comes in the forms of emails and text messages, as well as newsletters. During this summer, I will be reminding families by the “Remind” text system each week. That is why it is so important we have the right information on every person.

Attached are two forms, a communication form and a medical information form (in case of an accident on campus or on field trips). Please return these ASAP so that everything will be in place before June.

As for my information, here it is. Note: I am not allowed to speak to teens on the phone, unless it's an emergency. Parents however, are welcome to call me.

The high school has a Facebook page, but middle schoolers are not allowed to “Friend” it.

Again, I am so excited about getting to know our newest members. I hope to see you many times this summer. The tentative schedule is also attached.
