

Get Involved – Be a Volunteer!

Dear Parent or Guardian:

Looking to make a difference at St. Dominic Catholic School? Let us help match you to the opportunities that best fit your passions, skills and experience. Volunteering is all about sharing life experiences, whether you offer a specific skill, passion or gift of time. The active participation of families, business leaders and community members in the classroom extends to the effectiveness of teachers and staff. Volunteers also help the school to deliver valuable services to students that would not be possible without their support. Please review the volunteer opportunities suggested below, and check any you are interested in—or tell us what you would like to do, then return the form to school.
