

Parent Involvement Committee

What is the Parent Involvement Committee?

The Parent Involvement Committee was created in 2012 by Terri Forbes, who was a parent of two SDCS students at the time and later became one of SDCS' Distinguished Graduates. Her purpose in creating this group was to bridge the gap between parents and teachers; to provide help for teachers without aides; to get parents involved who did not know how or who to ask; and to be there whenever the school needed an extra hand or provide extra prayers.

The Committee has continued to be a positive addition to St. Dominic Catholic School. They help provide items teachers need for a lesson, pray during school wide testing, make copies, laminate, help in the library, become book buddies, organize Carlita's Closet, and the list goes on. No task is too big or too small for the Parent Involvement Committee. Our committee is made up of some awesome parents and selfless grandparents but there is always room for more.

Please consider signing up to be on the Parent Involvement Committee. You can volunteer whenever you are available and if you cannot physically be at the school you can be one of our awesome "Prayer Warriors." The only thing we ask is that if you would like to be a volunteer on campus, please be CAPP Trained.
